

# **VRIS UPDATE**

## **ELIGIBILITY CHAPTER Effective 8/25/09 Number 231**

### **SUMMARY OF UPDATES**

Because of recent changes in state law licensed independent mental health practitioners are now licensed to diagnose schizophrenia, major depressive disorder, delusional disorder, psychotic disorder, panic disorder and obsessive compulsive disorder. The eligibility chapter has been revised to reflect this.

### **VRIS POSTING**

The revised [eligibility chapter](#) has been posted in VRIS in the Employment Program section.

### **MONITORING REQUIREMENTS**

Monitoring will be done through routine case reviews.

### **TEAM COMMUNICATION**

Office directors should share this revision with staff. Assure that staff who make eligibility decisions understand this change.
